Content Marketing is essential for search engine optimization (SEO) because it builds your online brand, earns links and boosts your website's authority. Links do matter and content marketing (press releases, news features, articles, blogs, visual assets, and videos) is the way to earn valid links.

Our Premium Writers Are:

- Professional, rigorously trained, US-based writers who have achieved our highest quality rating.
- Dedicated to your campaign – *Your* premium writer takes the time to understand the precise nature of your business and develop a rapport with your campaign.
- Skilled at showcasing the unique qualities of your business, helping to set you apart from competitors.
- Creative and astute with the capacity to be provocative, humorous, analytical, passionate, reflective, controversial...or a mix of writing styles. Your choice!

Our Premium Writer Service is Required for plans that include **Press Releases, Business Quotes and Featured News** and other types of special content. Premium writers are specially trained to tailor content for these highly targeted placements. Your dedicated Premium Writer and our Publishing Coordinator Team nurture relationships with publishers, encourage social sharing and go after new PR opportunities.

Watch Our Premium Content Go to Work for You

Track content development and the progress of your campaign in our dashboard. You'll see the content we create, links to the sites on which it's placed, links that you earn, your co-citation profile and most importantly, the impact of your campaign on your search rankings.
